

MATERIAL SAFETY DATA SHEET
SAFEPAK VCI SP- MFM FOAM
(According to 91/155/EEC)

SECTION 1 - IDENTIFICATION OF SUBSTANCE

Trade name: **SAFEPAK VCI SP- MFM Foam**

Chemical name: VCI Anti corrosive Foam for Multimetal Protection.

Description: Volatile corrosion inhibitor loaded polyurethane plain foam pads.

Manufacturer: Safepack Industries Ltd. 77, MIDC,
Bhosari, Pune-411026 India.

Phone no.: +91-20-7111000 Fax: +91-20-7111700

E-mail: info@safepack.com

Prepared by: G. Parag Approved by: Dr. R. Patil

Date of Issue: 01/03/2004 Revision No. 2

SECTION 2 - COMPOSITION / INFORMATION ON INGREDIENTS

Ingredients	% range	CAS no	EEC no	Risk no
Trade secret	~ 5 %	--	--	
Other substances				

SECTION 3 - HAZARDOUS IDENTIFICATION

Information about hazardous ingredient: No particular hazardous ingredients are known.

Inhaling: Should not inhale purposely. May cause a throat and lung irritation.

Hazard ingenious: By handling of this product no particular hazard is known when normal precautions and personal protective equipment are used.

SECTION 4 - FIRST AID MEASURES

General information: Take affected person into the open air immediately.

Inhalation: Supply fresh air; consult physician in case of symptoms

Skin contact: Long term skin contacts and rubbing might cause irritation and reddening. Rinse opened eye for several minutes under running water. If irritation persists consult physician.

Eye contact: Rinse opened eye for several minutes under running water. Consult physician. (S26)

Skin contact: Long term skin contacts and rubbing might cause irritation and reddening. If irritation persists consult physician.

Swallowing: Induce vomiting if feasible; immediately call for medical help.

SECTION 5 - FIRE FIGHTING MEASURES

Extinguishing agents: CO₂, water or fire fighting agents.

Protective equipments: In case of fire fighting wear self-containing breathing apparatus. Use goggles.

Special hazards caused by products: Formation of toxic gases and foam is possible during heating or in case of fire.

SECTION 6 - ACCIDENTAL RELEASE MEASURES

Fire conditions may leads to formation of toxic gases, use goggles and protective work clothing. See section 4.

Additional information: See sec. 13 for additional information about disposal.

SECTION 7 - HANDLING AND STORAGE

Handling: Workers should wash their hands thoroughly with soap and water. No eatables should keep in contact with the product.

Storage: Keep containers tightly closed. Store in a cool dry place. Store away from foodstuffs. Do not store together with textiles. S15

SECTION 8 - EXPOSURE CONTROLS AND PERSONAL PROTECTION

Components with critical values that require monitoring at work place:

CAS no Designation of material % Type Value Unit

Not required.

Occupational exposure control:

Eye protection: Not required

Respiratory protection: Not required.

Other protective equipments: Not required.

MATERIAL SAFETY DATA SHEET
SAFEPAK VCI SP- MFM FOAM
(According to 91/155/EEC)

Exposure control: None

Additional information: See section 5 and section 7.

SECTION 9 - PHYSICAL AND CHEMICAL PROPERTIES

Form: Semi rigid solid (impregnated foam) Density: N. E.
Color: Off-white / pale yellow Odor: Slight
Solubility in water: None. pH: N. A.
Melting point: N. A. Boiling point: N. E.

SECTION 10 – STABILITY AND REACTIVITY

Chemical stability: Stable under normal storage conditions.
Dangerous reaction: No dangerous reaction known. Decomposition may lead to formation of toxic gases.
Dangerous product components: No dangerous components known.
Conditions to be avoided: No dangerous decomposition if used according to specifications.
Incompatibility: Avoid contact with acids, alkali and oxidizing material.

SECTION 11 – TOXICOLOGICAL INFORMATION

Acute toxicity: None
Biological properties LD oral: N. E.
Sensitization: No sensitizing effect known.
Poison / hazard other than poison: N. A.
Effect on the skin: Irritant for the skin and mucous membranes.
Effect on the eye: Irritant effect possible.

SECTION 12 – ECOLOGICAL INFORMATION

Behavior in sewage systems: The product is insoluble in water; do not allow entering in drainage system, surface or ground water.
For additional information see section 11.

SECTION 13 - DISPOSAL CONSIDERATIONS

Waste disposal: Collect as a normal waste or follow existing State and Local environmental regulations.

SECTION 14 - TRANSPORT INFORMATION

Land transport class: N. A.
Maritime transport class: N. A.
Marine pollutant: N. A.
Air transport class: N. A.
No dangerous good according to dangerous goods / transport directions.

SECTION 15 – REGULATORY INFORMATION

Risk phrases: None
Safety phrases:
S-26 In case of contact with eyes, rinse immediately with plenty of water, S24 Avoid contact with skin
S15 Keep away from heat.
Abbreviations:
N. A.: Not available N. E.: Not established.

SECTION 16 - DISCLAIMER

This data is based on our present knowledge and shall not constitute any guarantee for any specific product features. This data sheet is a safety data sheet according to 91/155/EEC. For products which are not subject to classification according to EEC lists this data sheet is made on a voluntary base. Safepack does not undertake legal responsibility for use and reliability of this data sheet. Users are expected to check the suitability of the product to their application.
